

The new tea ceremony!

A change in Tea!

Combining tradition
with innovation.

Elixir Tea introduces teasticks!

Fresh quality tea leaves, infuser and stirrer in one stick.
The easy-to-use tea stick fits perfectly into the modern lifestyle
and today's relationship with time and space.
Enjoy a cup of high quality tea without teabags or teaspoons.
No mess only great flavour.

Introducing Elixir Tea

For Elixir Tea 2017, was a fruitful year full of R&D and creativity.

We have completed an investment plan with new facilities and made in Europe equipment, certifying every production and processing segment based on standards of TUV NORD.

Now it's the time to move on promoting our products in order to offer innovation, simplification, well-being in tea and herbs drinking culture.

Our production line

Our certifications

ΕΛΛΗΝΙΚΗ ΕΤΑΙΡΕΙΑ
ΑΕΙΟΠΟΙΗΣΗΣ ΑΝΑΚΥΚΛΩΣΗΣ

- 
- 1 Each Teastick contains high quality tea leaves packed airtight
 - 2 Made of Silver Flexy™ material that can withstand temperatures over 100°C
 - 3 Designed not to drip after the end of the filtration process
 - 4 Teasticks have an eye-catching, elegant and modern design
 - 5 Each Teastick is used as a stirrer for sugar or honey and diffuses the tea evenly

The Elixir tea stick

The innovation that changes tea forever,
explained in 5 points!

πράβδοο

New packaging 2019

Hard to choose?

Elixir Teasticks are available in many flavours and types.
Choosing only one flavour won't be an easy task.
The essential series includes 11 wonderful flavours
each in a modern 10-piece package.
Taste them all!
